Dear Mr. Traversy:

**Re: Broadcasting Notice of Consultation CRTC 2011-379: Licence renewals for the Canadian Broadcasting Corporation's French- and English-language services
Application No. 2011-0276-4: CBC Television**

The Canadian Media Production Association ("the CMPA") welcomes the opportunity to submit the attached comments regarding the licence renewal application for the CBC's English-language television network and stations ("the English television application").

As detailed in the attached submission, the CMPA supports the CBC's English television application conditional upon the CBC demonstrating that it remains committed to its mandate as the country's national public broadcaster and to being a leader in the Canadian broadcasting system.

Given the importance of this proceeding to our members, the CMPA requests the opportunity to appear at the public hearing scheduled to commence on 19 November 2012 in Gatineau, to elaborate on the views expressed in this intervention.

Sincerely,
