AB1.00 REGULAR WORK DAY AND OVERTIME

AB1.01 Work Day

- (a) Unless specified otherwise in this Standard Agreement, the regular work day shall consist of not more than fourteen (14) consecutive hours including meal periods on any Day. The regular work day shall commence at the Guild Member's Call time.
- (b) A Day starting on one (1) calendar Day and running into the next calendar Day, shall be credited to the first calendar Day.
- (c) The premium rates in this Standard Agreement shall apply to work in excess of the number of hours in the regular work day.
- (d) Where Production Assistants (PA's) are normally engaged, and where a weekly PA is engaged, the Producer may engage additional eight (8) hour minimum call daily Production Assistants. This eight (8) hour call is applicable to daily work only. The daily PA shall be paid at a rate no less than one hundred and fifty percent (150%) of the applicable Provincial minimum hourly wage per eight (8) hour Day, inclusive of a one-half (1/2) hour meal break required to be taken by the end of the fifth (5th) hour of work. Any time worked in excess of eight (8) hours shall automatically become a fourteen (14) hour call, paid at the prevailing full Day rate, and subject to all provisions and premiums of this Standard Agreement.

AB1.02 Minimum Calls

A Guild Member shall be guaranteed no less than the Guild minimum daily or pro-rated weekly contracted compensation for any minimum Calls.

AB1.03 Standby Calls

The Producer shall not schedule standby Calls.

AB1.04 Change in Calls

The Producer may postpone a Guild Member's Call or cancel a daily Guild Member's Call with a minimum of nine (9) hours notice prior to the scheduled Call time.

AB1.05 Weather Cancellation

Notwithstanding Article AB1.04 a Call on any work day for a daily Guild Member may be cancelled because of adverse weather with a minimum of eight (8) hours notice prior to the scheduled Call time. If a Call is cancelled because of adverse weather, the Guild Member shall be paid twenty-five percent (25%) of contracted compensation.

AB1.06 Meals

(a) Craft Service

The Producer shall provide to each Guild Member, craft services of coffee, tea, ice water, and other suitable beverages throughout the work day. The Producer shall supply paper cups or other sanitary beverage containers.

(b) Meal Period/M Meal Penalty

The Producer shall ensure that each Guild Member has a paid meal break of at least one-half (1/2) hour, at intervals that will result in no Guild Member working longer than six (6) consecutive hours without a first paid meal break and eight (8) consecutive hours without a second paid meal break, failing which, each affected Guild Member will receive an additional twenty dollars (\$20.00) per meal to a maximum of forty dollars (\$40.00) per Day.

If the Guild Member is given both:

- i. A non-deductible meal appropriate to the time of Day, prior to the general crew call, and
- ii. A substantial snack no more than two and one half (2½) hours before the first paid meal break

then the first paid meal break may be six (6) hours following the general crew call.

A pre call Guild Member will not be required to work beyond nine hours from crew call without a break.

On a reasonable and bona fide basis, the Producer shall have the right to complete a shot in progress to a maximum of fifteen (15) minutes into the paid meal break without incurring the meal penalty, provided that the set-up or shot was commenced within a reasonable period in advance of the required meal break and provided that there is no reduction in the paid meal break.

(c) Meal Facilities

Under certain circumstances, normal meal facilities may not be readily available. If reasonable meal facilities are not available either because of location or of scheduling, the Producer shall engage a catering service to serve reasonable hot meals at the Company's expense on the set. A "snack" (i.e., hot dogs and soft drinks, etc.) is not a reasonable meal. The parties also agree that a box lunch is not a reasonable meal, unless box lunches are provided to the entire cast and crew for that specific meal. The Producer shall use its best efforts to provide suitable shelter for serving meals in inclement weather. Circumstances beyond the control of the Producer shall excuse this requirement to provide shelter, in which case the same shall not be subject to the grievance procedure.

- (d) Where the Producer provides free catering of food and/or beverages to the members of any other labour organization, the Producer shall provide the same catering benefits to all Guild Members at no cost.
- (e) Any Guild Member working away from the shooting crew is responsible for determining their own meal period(s). For clarity, such Guild Members shall not incur meal penalties. Notwithstanding the removal of meal penalties if lunch is not provided, a Guild Member shall be reimbursed up to a daily maximum of twenty dollars (\$20.00) upon provision of a receipt(s) by the Guild Member. For clarity, this reimbursement is not applicable where a Guild Member elects to work from home, unless otherwise agreed.

AB1.07 Rocky Mountain Hours Defined

Rocky Mountain Hours, also referred to as "Pacific Northwest Hours," are defined as follows:

- (a) An eleven (11) hour work period at the prevailing rate, which includes one (1) hour of paid meal period before the shift begins: or includes one-half (1/2) hour non-deductible meal period before the shift begins and two (2) fifteen (15) minute non-deductible breaks during the rest of such work period.
- (b) The meal allowance in Article AB1.06 (b) shall not apply unless work continues past eleven (11) hours, in which case meal penalties shall be paid commencing at the end of the seventh (7th) hour from the beginning of the first (1st) work period.
- (c) The Producer will provide a continuing hot meal service accessible to all the Guild Members.

AB1.08 Rocky Mountain Hours

The Producer may institute Rocky Mountain Hours on a daily basis provided that a Rocky Mountain Hours system applies to the entire shooting crew and that notice is given to the crew on the previous work day.

AB1.09 Production Meetings

Time spent in attendance at Production meetings or surveys shall be considered time worked. The Producer need not pay the Guild Member for the time spent at screenings of Dailies, unless the Producer or the Director requires the Guild Member to be there. If the Producer or the Director requires the Guild Member to attend the screening of Dailies, the time spent at the screening shall be considered as time worked.

AB2.00 WORK WEEK

AB2.01 Work Week

- (a) The regular work week for any Guild Member shall consist of five (5) consecutive work days out of seven (7) consecutive Days, starting on the first of such five (5) work days, with the remaining sixth (6th) and seventh (7th) consecutive Days as regular Days off (the "Work Week"). Any Work Week for a Guild Member engaged for a period other than the regular Work Week established by the Producer shall be deemed to be an irregular work week, will commence on the Member's first work day, and shall require the prior express written consent of the District Council. Notwithstanding the foregoing, once a regular work week has been established, the Producer shall maintain the right to establish a separate and distinct work week for a bona fide Second Unit.
- (b) Once any applicable 6th or 7th Day premiums have been incurred per Articles AB3.04 and/or AB3.05, the first five (5) days of the Member's established Work Week immediately thereafter shall revert to straight time for regular hours.

AB2.02 Shifting the Work Week

Once every three (3) shooting weeks, or more frequently where agreed by the District Council and Producer, the Producer may shift the work week by doing either or both of the following without incurring penalty:

- (a) shift the work week forward by adding one (1) or two (2) additional Days off from the regular work week and begin the shifted work week on the following Day.
- (b) shift the work week back:
 - i. by one (1) Day, by changing the seventh (7th) Day of the regular work week to the first (1st) Day of the shifted work week, provided that the sixth (6th) Day of the regular work week is a Day off and the thirty-two (32) hour rest period applies; or
 - ii. by two (2) Days, by making the preceding work week a prorated four (4) Day work week, giving the fifth (5th) Day off, and making the sixth (6th) Day the first (1st) Day of the shifted work week, provided that the thirty-two (32) hour rest period applies.
- (c) Guild Members shall be given no less than three (3) working Days' advance notice of the shift. In no event may the Producer shift the work week to avoid paying for an un-worked holiday.
- (d) Upon two (2) weeks written notice to the District Council, or with the consent of the affected Guild Members, the work week may be changed from the last week of prep to the first week of principal photography provided that Guild Members receive one (1) day off.
- (e) In all of the above scenarios, when a Guild Member is approved to work on the one (1) Day off, then this Day shall be considered a seventh (7th) Day. Day one (1) of principal photography would be Day one (1) of the work week.

AB2.03 Minimum Guarantees

The Producer shall guarantee a Guild Member engaged on a weekly basis five (5) consecutive work days as follows:

Full Work Weeks – five (5) consecutive work days – weekly Contracted Rate

Fractional Work Weeks – first (1st) to fifth (5th) work day – one-fifth (1/5th) of weekly Contracted Rate

The above minimum guarantee shall apply for fractional work weeks when a Guild Member is called back for re-takes, changes, or added scenes on the same Production. The guaranteed compensation of a Guild Member engaged on a weekly basis who absents himself without the company's consent may be reduced by one-fifth (1/5th) of the weekly guarantee for each Day of absence.

Calculation of Daily Rates – All Guild Members engaged on a daily basis will be remunerated at one quarter (1/4) of the corresponding weekly contracted rate.

AB2.04 Hiatus Periods

- (a) Hiatus means a planned, unpaid stoppage of work for a period of three (3) or more work days.
- (b) For the purposes of Article AB2.04, the Production period will be calculated from the opening of the Production office to the completion date of the Contract for Services of the Sound Editor or the Production Accountant, whichever is later.
- (c) The Producer shall be entitled to impose a maximum hiatus period equal to one (1) week for each eight (8) weeks of the Production Period. Notification of the declaration of a hiatus, cancellation of a previously declared hiatus, or rescheduling of a previously declared hiatus requires two (2) weeks notice from the Producer.
- (d) Should there be a change in hiatus scheduling from that which is published at the time of the Guild Member's individual deal memo being executed, there shall be no penalty or consequence to the Guild Member should they not be able to accommodate such change requested by the Producer.
- (e) A hiatus of less than one (1) week will not be imposed for the purpose of avoiding payment for holidays.
- (f) The three (3) statutory holidays at Christmas are not worked/not paid except where the Christmas break is fourteen (14) or fewer consecutive Days.

AB2.05 Fractional Work Week

The Producer shall pay a weekly Guild Member whose assignment starts on other than the first (1st) Day of the established work week or ends on other than the last Day of the established work week one-fifth (1/5) of the weekly compensation for each Day worked during the fractional work week, provided that during the proceeding or following work week of the assignment the Guild Member completes a full work week. (c) Responsibility of Department Head

A department head shall be responsible for the supervision of the work force and supervising job conditions including Call and wrap times. Discipline and discharge shall be vested solely with the Producer.

The order of engagement will be waived on tier D Productions provided a department head is engaged by the Producer.

(d) Determination of Minimum Personnel Requirements

The minimum personnel requirements for each department, including duration of engagement of such personnel, will be determined through mutual consultation and agreement between the department head of each department and the Producer. Where no agreement has been reached or when the District Council believes the staffing is insufficient the matter will be decided in accordance with Core Article 10.00 and, if required, will be dealt with as an interest arbitration thereunder.

AB16.04 Location Department

- (a) The Producer may request from the District Council a waiver, regarding the crewing of a Location Manager, where a Motion Picture is shooting and predominantly in a studio under such circumstances that the PM can efficiently perform the duties of a LM without assigning the same to persons who are not LM's.
- (b) Television Series
On a television Series tier C and above, the Producer will engage either two (2) Location Managers or one (1) Location Manager and two (2) Assistant Location Managers.
- (c) A Mini-Series or Series engaging the same Director for all Episodes thereof shall not be subject to AB16.04(b).

AB16.05 Second Unit

The minimum crewing of Second Units, trailers, talent tests, and promos, shall be at the discretion of the Producer.

AB16.06 Trainee Assignments

Recognizing the need to maintain support of programs designed to develop adequate numbers of competent workers in the film and television industry, the Producer may engage trainees to perform such work as is within their capabilities and which is customarily performed by the department in which they are training. On request, the District Council will provide the Producer with a copy of an up-to-date list of Members of the Guild who have been accredited to accept trainee assignments.

The parties agree it is not the intention of this Article for Trainees to supplant the need to engage the appropriate number of Guild Members required on a Production.

AB17.00 APPROVED LIST OF ARBITRATORS

AB17.01 The following individuals shall be selected as an arbitrator to whom a grievance may be referred for arbitration:

Andy Sim
Tom Jolliffe
Bill McFetridge
Deborah Howes

AB18.00 WORK PERMITS

AB18.01 Application for Work Permits

The District Council shall consider each request for a work permit. The Producer shall not engage the person to work on the Motion Picture until the District Council processes the request for a work permit, and the person has been properly cleared by Human Resources and Social Development Canada (HRSDC), where necessary. If the Producer can prove that the presence of such person is necessary, the District Council in its absolute discretion may issue a work permit to a non-Member of the Guild (herein known as a Permittee). The District Council shall give its decision to issue or refuse a request for a work permit for the person in question within three (3) Days, excluding Saturdays, Sundays and general holidays. When the District Council approves work permits it will use best efforts to issue them promptly, so as not to cause any delay in the filling of the Producer's personnel requirements. The work permit may contain such terms and conditions as the District Council sees fit.

AB18.02 Permit Fees

The Producer shall pay to the District Council the following work permit fees:

- i. For a Permittee who is not normally a resident in Canada, fifty dollars (\$50.00) per Day of engagement payable from the time of pre-production;
- ii. For a Permittee who is normally a resident in Canada, ten dollars (\$10.00) per Day from the time of pre-production;
- iii. For a Permittee Production Assistant, who is normally a resident in Canada, and is engaged on a tier D or E Production, five dollars (\$5.00) per Day from the time of pre-production; and
- iv. The work permit fees shall be payable to the District Council by cheque at the same time and for the same period covered by the Production payroll. GST is applicable to permit fees.

AB19.00 SPECIALIZED WORK INSURANCE

AB19.01

- (a) Allowances, if any, for hazardous work assignments not covered by Article AB19.02 shall be subject to individual prior negotiations between the Guild Member and the Producer.
- (b) Notwithstanding Article AB19.01 (a) if the performance of hazardous work was not foreseeable, the negotiations may take place, at the request of the Guild Member, after the performance of hazardous work, but before the close of the work day on which the hazardous work was done. Failure to reach an agreement on the allowance amount with the individual Producer in charge shall not jeopardize the work in progress, but shall entitle the Guild Member to present the matter for resolution under the grievance procedures of Core Article 10.00.

(a) Underwater Work Allowance

If the Producer requires any Guild Member to: (i) dive using a diving mask, air helmet, or diving suit, including skin diving in water, or (ii) descend in a submarine, the Producer shall pay that Guild Member an allowance of fifty dollars (\$50.00) for each dive or descent up to a maximum of one hundred dollars (\$100.00) per work day. At no time shall a Guild Member go underwater alone. There shall be a minimum of two (2) qualified underwater crewpersons engaged in underwater work at the same time, or one (1) qualified underwater crewperson and one (1) qualified underwater expert.

(b) Airplane and Helicopter Flight Allowance

If the Producer requires a Guild Member to fly in a helicopter, or in an aircraft (other than ordinary travel to and from location, or other general travel), the Producer shall pay a Guild Member a work allowance of fifty dollars (\$50.00) for each flight up to one hundred dollars (\$100.00) per work day.

(c) Airplane and Helicopter Insurance

The Producer will provide a minimum coverage of one million dollars (\$1,000,000.00) of accidental death and dismemberment insurance to any Guild Member required by the Producer to fly in a helicopter or in an aircraft in connection with the Production (other than ordinary travel), such as lining up shots, rehearsals, photography or scouting for locations.

Letters of Understanding Alberta Schedule 1

NO. 1 JURISDICTION

1. Subject to the terms set out below, the District Council represents all of the classifications set out in Article 11.00 of the Core Agreement;

2. With respect to all Art Department classifications, and Assistant Production Accounting classifications, this Agreement applies to all such classifications subject to the following conditions:

Where the Producer wishes to engage an individual in one of these classifications who is a non-Guild Member, then the Producer may do so but only in circumstances when:

- (i) the individual is a member in good standing of another local labour union,
- (ii) the individual elects representation by that union, and
- (iii) if requested, the Producer provides proof in a form satisfactory to the District Council with respect to representation by another local labour union and coverage under the collective agreement between that union and the Producer with respect to the particular production.

Notwithstanding the minimum rates provided in the Standard Agreement, the Producer will agree that no Guild Member, engaged in the Accounting or Art Department on the same Production and in the same classification as an IATSE Local 212 member, will be remunerated at a lesser minimum rate than the IATSE Local 212 member, for any period of the Guild Member's engagement during which an IATSE Local 212 member is engaged concurrently in the same classification.

These provisions do not apply to individuals engaged under Article re: alternate arrangements of the Core Agreement.

3. With respect to a particular classification which has never been represented by the District Council under this Agreement or any prior Guild basic agreement, and notwithstanding Article 7.00 of the Core Agreement (re permits), the Producer may engage any individual to fill that particular classification; however, should that individual be a Guild Member, then the Producer will only engage that individual pursuant to this Agreement, including but not limited to the applicable Contract for Services.

4. The terms above are effective only for the duration of the Agreement. The parties will assess on an ongoing basis any jurisdictional issues that arise and in the next round of negotiations for a renewal Standard Agreement will negotiate appropriate jurisdictional language.

5. The CMPA will ensure that any language that it negotiates with any other union with respect to jurisdiction over any category specified in paragraph 2 above, shall not provide that union with any greater entitlement to jurisdiction than the District Council. Any alleged breach of this obligation shall constitute an arbitrable matter under this Agreement. The arbitrator's jurisdiction shall be limited to the interpretation and/or amendment of this letter. The parties shall provide notice to any labour organization that may be affected by this proceeding.

NO. 2 Fact Based/Lifestyle/Docu-Drama Production

With respect to each Guild Member (including but not limited to a Director) who is engaged to work in a Guild category on a Fact Based/Lifestyle/Docu-Drama Production, the Producer must engage such Guild Member subject to the terms of this Agreement, except as is provided herein.

There shall be no minimum rate applicable to the services provided by the Guild Member and the rate of remuneration shall be subject to negotiation between the Guild Member and the Producer.

Regardless of the Budget of the Production, the fringe package applicable to that Guild Member is the applicable package for a tier E Production, plus a one-half percent (1/2%) administration and training fund payment to the Guild.

Subject to the terms herein, the "monetary" provisions of the Agreement shall not be applicable to the Guild Member and the "non-monetary" provisions shall be applicable. For greater clarity, any and all monetary terms, including but not limited to a Director rights acquisition fee are negotiable between the Guild Member and the Producer.

For greater clarity, the "reservation of rights" provisions Article DR25.00 and the "ISAN" provision Article DR24.00 are applicable to the Director of a Fact based/Lifestyle/Docu-Drama Production.

Nothing in the Schedule nor in the Agreement shall prevent the Producer from engaging a non-Guild Member to perform any duties in relation to a Fact Based/Lifestyle/Docu-Drama Production.

NO. 3 CALGARY STUDIO ZONE

The parties recognize that in the past, the DGC Alberta District Council has adopted the studio zone of other Alberta labour organizations, thereby allowing for a uniform Calgary studio zone. The parties further recognize the potential that during the term of the Standard Agreement these other labour organizations may make changes to their Calgary studio zones.

Should these changes occur, the parties agree that they shall meet to discuss whether to apply the same changes to the Calgary studio zone under the DGC Alberta Schedule.

If the parties agree to institute such changes, they shall be formalized in a Memorandum of Agreement and ratified in accordance with the respective practices of the parties. The parties agree that upon ratification, the amendments set out in the Memorandum of Agreement shall become effective. Unless otherwise indicated in the Memorandum of Agreement, all provisions of the Alberta Schedule shall remain in full force and effect until expiry of the Standard Agreement.
